I am writing this the day after Prime Minister Sharon and President Abbas met in Sharm El Sheik (February 9). Who knows what will be a month from now when I write again. I am hopeful that we are at the beginning of a new era in history. I say this not naively or sermonically; I say this with genuine hope.

Over 70% of Israelis strongly want peace. Some want it for political or pragmatic reasons and others for spiritual and ethical reasons. Israelis are anything but naive regarding this matter and their future. The Israeli national anthem Ha Tikva—The Hope—is not incidental or coincidental. It was not chosen for its beat but rather for the hope that is to fill our hearts; it was not chosen for its catchy lyrics but for its vision that is to direct our minds.

We are commanded to not just love peace but to assertively go after peace. Our not being cynical now is yet another way of our loving and pursuing peace. Our being hopeful now is the best way to be true to Jewish values, Judaism and the Jewish people.

No, I do not know what I will be able to say a month (or months) from now. I know without any doubt what I hope I will be able to say.

**TORAH FUND LUNCHEON**

**Sunday, March 13**

This year’s Torah Fund Event will honor Rabbi Eli Garfinkel, with a Luncheon that will be open to all. It will take place directly after religious school at 12:00 noon.

Rabbi Garfinkel has been a wonderful addition to our congregational family, and has touched the lives of many of us personally. Though his leaving will sadden us, we wish him and his family, Naomi, Josh & Sari, much mazel in their road ahead, and know that they will go from strength to strength.

This is our opportunity as a congregation to honor Rabbi Garfinkel, and thank him for his service. What more appropriate way than with a Torah Fund event, which directly benefits the JTS, the institution that ordained him.

Enjoy a kid friendly dairy luncheon buffet, with special prices for children.

Glenda Bernstein 733-1758. Stephanie Gilinsky 792-0588.
